ROOFING *Accessories*

**ACM is a “one stop shop”
manufacturing system for all
your exterior metal products.**

ACM manufactures rainware, edge metals, trim coil, soffit and fascia, and siding accessories. We are constantly upgrading our plants and machinery to improve quality, add additional profiles, and create new innovative products.

**Aluminum is made with majority of
post consumer waste.**

Aluminum and steel are recyclable, aluminum even more so. Did you know that Aluminum can be recycled over and over again? 75% of all aluminum ever smelted is still being recycled.

We keep Green Circle Certificates on hand for your access proving that 75% more of our raw material comes from recycled consumer waste. You may use this information to advertise that you are a “Green” company or as back-up documentation for government projects.
